Frequently Asked Questions

How long will I have access to the resources and the network?

You'll have one full year of access from your date of purchase. Yay!

If I purchase the toolkit, can I share it with family and friends?

It would be really hard for me to stop you, though I hope you'll understand that I put a lot of blood, sweat, and tears into the toolkit and am offering it for a low price to make support accessible for most. I'd appreciate if you do not distribute or reproduce the materials. If you find them helpful, please encourage friends or family to purchase their own toolkit.

How do I sign up?

Great question! Use this [Google link](#) to complete the registration form. This will send you to a secure Stripe link for payment. Then, you'll receive access to the program you purchased within 24 hours (business days of course).

What if I purchase the toolkit and still need help?

I've been there. I've taken online courses and thought, "I need to talk to a live human to sort through this confusion." I'd encourage you to think about joining the network or purchasing the Career Accelerator program so we can sit together 1:1 and help you maximize your gain from the program.

Do you offer 1:1 coaching?

I sure do. If you'd like to work together 1:1, please email me at shaina@shainalane.com and let's discuss your needs.

Do you offer refunds?

I do not. Because of the low, low price point, and the nature of the program, I cannot provide refunds. However, if you aren't satisfied for any reason, please reach out. I am happy to work with you to make sure you get what you need.
